(c) Provide design engineering liaison while the flight tests are in progress to assist in the training of operators and to operate the equipment during its initial shake down flights.

(d) Upon completion of test and training flights, all equipment installed under this contract shall be removed from the aircraft and delivered to the Government, and the aircraft shall be restored to its original configuration.

(e) Delivery: Installation of the radar components shall be completed by 1 June 1956, the test and training flights will be performed over a period of approximately six (6) weeks after completion of the installation.

3. In PART IV - PRICE REDETERMINATION, in the Schedule of the contract, paragraph G. as added by Amendment No. 1 is deleted and the following new paragraph G. is substituted therefor:

"G. For the purpose of recording and reporting costs of performing the work and services called for under this contract, the Contractor agrees to maintain records of the costs of performing Item 7 in Appendix I separate from the costs of performing all other items of work and services set forth in said Appendix I, as it may be amended from time to time.

4. In consideration of the Contractor's performance of the additional work added to the contract by this Amendment No. 2, the total contract price, subject to the provisions of Part IV, Price Redetermination of the Schedule, is increased by \$49,399. Accordingly, the amount of \$1,220,104.00 stated in Paragraph A, PART II - CONSIDERATION AND PAYMENT, of the Schedule, as amended, is deleted and the following amount is substituted therefor:

"ONE MILLION TWO HUNDRED SIXTY-NINE THOUSAND FIVE HUNDRED THREE DOLLARS (\$1,269,503)."

5. All other terms, conditions, and requirements of Contract No. FL-3011 remain unchanged.

6. Please indicate your receipt of the Amendment No. 2 to Contract No. FL-3011 and your acceptance thereof by executing the original and two copies of this Amendment. Return the fully executed original and one
